Work Experience

Software Development Engineer • Amazon　　　　　　　September 2022 - March 2023

- Designed and implemented the migration from an old service to integrating with a new service by utilizing the knowledge of java, spring, AWS cloud services.
- Managed the migration project by defining project scope, timelines and resources, and effectively communicated with cross-functional teams to ensure project success.

Education

Degree/Certificate	Institute/Board	CGPA/Percentage	Year
B. Tech	JSS Academy of Technical Education	9.13	2018 - 2022
Senior secondary	CBSE board	93.6%	2018
Secondary	CBSE board	10.0	2016

Projects

- **Ittii– An Ecommerce Application**
Developed an e-commerce website named ITTII that allows users to browse and purchase products online. The website includes features such as product browsing, price display, ratings, search functionality based on various categories, shopping cart management, order placement and order history tracking.

- **iNotebook: A Note-taking Application**
Developed a secure note-taking application called iNotebook, allowing users to create and access their notes from anywhere at any time. The application provides a platform for users to store and organize notes on various topics, enhancing productivity and information management.

- **iChat: Real-Time Chat Application**
Developed a real-time chat application that enables multiple users to join conversations and exchange messages instantly. The application provides a platform for users to communicate in real time, fostering collaboration and seamless communication among participants.

Technical skills

- **Programming languages:** C, C++, java
- **Web technologies:** HTML, CSS, Bootstrap, JavaScript
- **Frameworks and Libraries**: React.js, Node.js, Express.js, Spring, Spring MVC, Spring ORM, JDBC, JSP & Servlets, Hibernate
- **Databases**: SQL, MongoDB
- **Version Control**: git
- **Cloud Platforms**: AWS, Azure

Achievements

- Awarded a laptop in recognition of good performance in UPSEE.
- Achieved first position in CSE department
